Dr. Kaya,

Thank you for your time during the NRC inspection conducted on October 27, 2015, at your office in Honolulu, Hawaii. I also appreciated the time provided by your RSO, Chris Laude, during the field office inspection that was conducted on November 5, 2015, at your facility at the Pohakuloa Training Area on the Big Island.

As I mentioned to you during our phone conversation earlier today, no violations were identified during the inspection. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign it or return it. I do however request a courtesy email response from you acknowledging receipt.

Thank you and please let me know if you have any questions.

Regards,  
Janine
