IN REPLY REFER TO  
ES/CO: No Effect Letter

FEB 17 2016

To Whom It May Concern:

We acknowledge your No Effect determination, however the regulations implementing section 7 of the Endangered Species Act (Interagency Cooperation) do not authorize the Service to review or concur with No Effect determinations for listed species or designated critical habitat. Therefore we are not able to address your determination further. However, we do appreciate you informing us of your determination for listed species even if not required to do so under the Act.

Sincerely,

Drue L. DeBerry  
Acting Colorado Field Supervisor
