Attention: Frank Tran

Dear Mr. Tran

This communication is in your response for additional information regarding our recent amendment request.

Item #1: We no longer wish to add Dr. Kirit Shah to our NRC License. We were informed that Dr. Shah was on NRC License #21-02802-03. It appears that this was a misunderstanding. We apologize for any confusion this may have caused.

If you have any questions or require additional information, please contact our consultant, James Botti at 734-662-3197 or by email at jbotti@mpcphysics.com.

Respectfully Yours,

Jeff Stiles
