Subject: Notification of Transfer of a Generally Licensed Device

This letter provides the notification of the transfer of the following generally licensed sources from NIST as required by 10CFR 31.5 and 10CFR 30.6. All sources were used at the NIST facility in Gaithersburg, Maryland.

Please note that the first two listed sources were transferred on September 23, 2015. Due to an administrative oversight, they were not listed on our previous notification that was dated October 19, 2015.
