Subject: Safeguards Information Protection Certification Statement

Dear Sir or Madam:

On February 6, 2015, Waste Control Specialists LLC (WCS) submitted a "letter of Intent" to file a license application to construct and operate a Consolidated Interim Storage Facility for Spent Nuclear Fuel (SNF) to be licensed under Title 10 of the Code of Federal Regulations (CFR) Part 72 (Reference 1). WCS is currently planning to submit its license application in April 2016 that will include information marked as Safeguards Information and must be protected from unauthorized disclosure pursuant to the requirements established under 10 CFR 73.

In regards to NRC Docket No.72-1050 concerning the WCS license application to construct and operate a Consolidated Interim Storage Facility for SNF (Reference 2); WCS hereby submits the following certification statement.

WCS hereby certifies that it currently possesses the facilities, programs and procedures necessary for the protection of Safeguards Information pursuant to 10 CFR Parts 73.21 through 73.22.

WCS requests that all correspondence regarding this matter be emailed directly to my attention (skirk@valhi.net) as soon as possible after issuance. If you have any questions or need additional information, please contact me at (972) 450-4284.

Sincerely,

J. Scott Kirk, CHP
Vice President of Licensing and Regulatory Affairs
