

VOID SHEET

TO: License Fee Management Branch

FROM: RIII - Material Licensing Branch

SUBJECT: VOIDED APPLICATION

Control Number: 583330

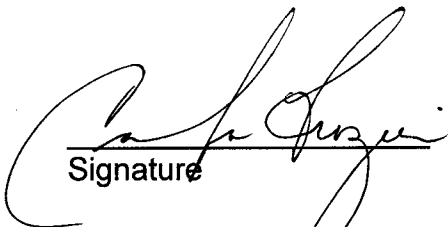

Applicant: Indiana University-IUPUI/IU Medical Center Campus

License Number: 13-02752-03

Docket Number: 030-01609

Date Voided: February 18, 2016

Reason for Void: The licensee in letters dated March 7, 2014, October 29, 2014, and letter received on December 16, 2014 requested an exemption to the notification and decommissioning requirements specified in 10 CFR 30.36(d)(4). A Technical Assistance Request (TAR) (ML14345A627) was generated on December 18, 2014 to address the exemption request. A response dated December 1, 2015 (ML15278A274) to the TAR concluded that the exemption request should not be granted, but provided that the license should be amended (as stated in the TAR). Therefore, in accordance with the TAR response dated December 1, 2015, and a discussion on February 16, 2016 with Mack Richard, Radiation Safety Officer and with the MLB Branch Chief, the licensing action will be voided (the licensee to submit an amendment request in the future). A letter explaining the TAR response will be provided to the licensee.
