RE: Materials License 21-11315-02  
MPI Research's requested response to NRC letter dated February 8, 2016 regarding revisions to 10 CFR 170.31 and paragraph (d) of 171.16

Dear Ms. Pelke,

In response to the letter referenced above, MPI Research has reviewed the Location of Use condition on our broad scope license 21-11315-02 and confirmed that each location meets the definition described in the guidance attached to your letter.

MPI Research a Location of Use listed on the license at the following address: 54943 North Main Street, Mattawan, MI 49071. This is our one and only Location of Use. The information in the listing remains accurate and no updates or changes to our license are necessary.

Please contact me at 269-668-3336 extension 2050 if there are any questions, or if further information is required.

Best regards,

A handwritten signature in black ink, appearing to read 'Richard Granberg', with a long, sweeping flourish extending to the right.

Richard Granberg  
Radiation Safety Officer  
MPI Research, Inc.
