Additional Information for License Renewal

SUMMARY

During our review of your license renewal application dated August 31, 2015, it appeared that your application had not been completely prepared in accordance with the guidance in NUREG 1556, Vol. 1, Rev. 1, "Consolidated Guidance about Materials Licenses: Program-Specific Guidance about Portable Gauge Licenses, dated November 2001." This could potentially make your license more restrictive.

1. Please review the attached license application checklist. If you wish to submit a new application, please resubmit using the guidance in the checklist.
