Re: Materials License No. 19-00373-02; Docket No. 030-04525; Notification of  
Bankruptcy Proceeding

Pursuant to 10 CFR 30.34(h), Verso Corporation ("Verso"), on behalf of its indirect, wholly owned subsidiary, Luke Paper Company (the "Licensee"), which holds the above-captioned license, hereby notifies the U.S. Nuclear Regulatory Commission that on January 26, 2016, Verso and substantially all of its direct and indirect subsidiaries, including the Licensee, filed voluntary petitions for relief under Chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware. The case is "In re: Verso Corporation, et al.," Case No. 16-10163.

The voluntary petition is designed to facilitate a debt restructuring necessary to strengthen the company's balance sheet and position Verso for long-term success. This filing is expected to have virtually no impact on the day-to-day operations of the company and has not affected the conduct of licensed activities.

Please contact me if you have any questions regarding this notification.

Sincerely,

A handwritten signature in black ink that reads "Peter H. Kesser".
