GE-Hitachi Nuclear Energy Americas LLC (GEH) is in the process of responding to your request for additional information (Reference 3) regarding the VNC Site Physical Security Plan revision dated August 19, 2015. Unfortunately, the requested information is taking longer to complete than anticipated.

As a result, it will take an additional period of time for GEH to respond, and GEH requests that the date to provide this additional information be extended from February 26, 2016, until March 31, 2016. The requests for additional information regarding the SNM 960 license renewal application will be provided separately by February 26, 2016.

Please contact Louis Quintana at 910-819-6616 or me if there are questions regarding this request.

Sincerely,

Scott P. Murray, Manager
Facility Licensing
