Title: Category 3 Public Meeting to Discuss Efforts to Improve Rulemaking Tracking and Reporting

Date(s) and Time(s): March 11, 2016, 01:00 PM to 05:00 PM

Location: NRC Two White Flint North, T2B3  
11545 Rockville Pike  
Rockville, MD

Category: This is a Category 3 meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: To obtain feedback to inform the development of a Commission paper that will recommend improvements to the NRC's approach for tracking and reporting its rulemaking activities. The direction of this paper stems from a February 11, 2016, memo from NRC Chairman to EDO Victor McCree, "Rulemaking Tracking and Reporting." Specifically, the attendees will discuss: 1) A single, unified approach to track rulemaking activities and inform external stakeholders; 2) Consistent terminology and definitions to characterize the type and status of rulemaking activities; 3) Methods to ensure that the Commission, staff, and external stakeholders have "real time" access to view current information on rulemaking activities; and 4) Improvements to the NRC's rulemaking website to reflect items 1, 2, and 3 (above).
