Subject: Request to closeout the Compensatory Measures for the Ohio State University Research Reactor (OSURR), License R-75, Docket No. 50-150

Per a discussion with Elizabeth Reed on 21-Oct-2015, the Ohio State University Research Reactor is requesting to closeout our Compensatory Measures (CMs). The information previously contained in the CMs has been incorporated into our security procedures.

Please find enclosed three attachments relating to this request. Attachment A describes the proposed changes between the NRC-approved CMs and the OSURR updated security procedures. Attachment B is a copy of the NRC-approved CMs. Attachment C contains the OSURR security procedures that incorporate the changes listed in Attachment A. The attachments contain Safeguards Information – Modified Handling and are marked accordingly.

If you have any questions regarding this matter, I can be reached at 614-688-8220 or kauffman.9@osu.edu.

I declare under penalty of perjury that the foregoing is true and correct. Executed on 23-Feb-2016.

Sincerely,

Andrew C. Kauffman, Associate Director
The Ohio State University Research Reactor
