Re: Abonmarche RSO Status

Edward,

Abonmarche's previous Radiation Safety Officer (RSO), Kenton McAndrew, left the company in June 2015. Christopher Cook, who previously served as RSO, has assumed those responsibilities while we have arranged the appropriate training for a replacement. We have continued to track and maintain our regulated equipment in accordance with USNRC rules.

The candidate for our new RSO, Lucas Grosse is currently scheduled to take the appropriate training classes in March 2016.

Sincerely,

ABONMARCHE
