Re: Indian Point Nuclear Generating Station, Unit 2 and Unit 3
Docket Nos. 50-247-LR/50-286-LR; ASLBP No. 07-858-03-LR-BD01

Dear Administrative Judges:

In reviewing the State's February 22, 2016 motion for leave I noticed that it did not address certain regulatory criteria for the admission of contentions. While the motion discussed various criteria including C.F.R. §§ 2.309(f)(2) and 2.309(c), it inadvertently did not address another set of criteria -- those contained in § 2.309(f)(1). To correct this, the State respectfully submits the accompanying supplement that discusses the § 2.309(f)(1) criteria in the context of Proposed Contention NYS-40. I apologize to the Board, its staff, and the parties for this oversight.

Respectfully submitted,

Signed (electronically) by

John Sipos
Assistant Attorney General
