Ms. Melanie Galloway
Director, Division of Security Policy
Office of Nuclear Security and Incident Response
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Subject: Endorsement of NEI 16-01, *[Site Name] Independent Spent Fuel Storage Installation Security Plan, Training and Qualification Plan, and Safeguards Contingency Plan, Revision 0, Dated February 2016*

Project Number: 689

Dear Ms. Galloway:

On behalf of the nuclear energy industry, the Nuclear Energy Institute (NEI)¹ is providing the attached copy of NEI 16-01, for NRC review and endorsement. NEI 16-01 is the Security Plan Template for licensees that are at a stand-alone Independent Spent Fuel Storage Installation (ISFSI) phase. NEI 16-01 was developed to assist licensees in developing protective strategies against threats related to the storage of used fuel.

WARNING: Violation of Section 147 of the Atomic Energy Act, "Safeguards Information" is subject to Civil and Criminal Penalties.

Safeguards Information determination made by:
Name/Title: David R. Kline, Director, Security
Organization: Nuclear Energy Institute
Basis 10 CFR 73.21
Signature: 
Date: 02/22/2016

¹ The Nuclear Energy Institute (NEI) is the organization responsible for establishing unified industry policy on matters affecting the nuclear energy industry, including the regulatory aspects of generic operational and technical issues. NEI's members include all entities licensed to operate commercial nuclear power plants in the United States, nuclear plant designers, major architect/engineering firms, fuel cycle facilities, nuclear materials licensees, and other organizations and entities involved in the nuclear energy industry.

Page 2

NEI 16-01 has been developed through the combined efforts of NEI and industry personnel, in order to address regulatory issues that have the potential to impact sites with ISFSIs.

The industry requests endorsement of NEI 16-01, Revision 0, dated February 2016 by May 20, 2016. The endorsement of this document would provide licensees with a roadmap in regards to establishing their site-specific security plan.

If any revisions to this document are desired, please include suggested wording and the technical data to support the proposed change.

If you have questions or require additional information, please contact AJ Clore at (202) 739-8025; ajc@nei.org or me.

Sincerely,

David R. Kline
