Subject: [External_Sender] RE: Change of Ownership, Transfer of Control or Name Change

There have been no name changes, the company remains Hattenburg Dilley & Linnell, LLC. The "Engineering Consultants" is added information and not part of the company name.

Good Afternoon Mr. Buzdor: Please forgive our delay in issuing your amendment request to your license requesting an increase to Items 8.A. and 8.B., as requested in your letter dated May 13, 2015. Please note that Item 1 of your license specifies the legal entity as Hattenburg Dilley & Linnell, LLC; however, the letterhead on which your May 13, 2015 amendment request was submitted specifies Hattenburg Dilley & Linnell Engineering Consultants. Please clarify this discrepancy accordingly.

If a change of ownership, transfer of control, or name change occurred, attached you will find Information Required for Change of Control and/or Change of Ownership (includes Change of Name), found in Appendix F of NUREG-1556, Vol. 15, *Consolidated Guidance About Materials Licenses: Guidance About Changes of Control and About Bankruptcy Involving Byproduct, Source, or Special Nuclear Materials Licenses* (<http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v15/>). Please note that the specific regulation for change of control and/or change of ownership can be found in 10 CFR 30.34(b) (<http://www.nrc.gov/reading-rm/doc-collections/cfr/part030/part030-0034.html>).

If you would like to discuss the above in further detail, please do not hesitate to contact me at your convenience at the phone numbers and/or email address listed below.

Sincerely,
