Document: NRC-2015-0070-DRAFT-0045

Comment on FR Doc # 2015-32599

Submitter Information

Name: Sally Ahnger

General Comment

The new regulations should include the requirements that decommissioning funds be used solely for radiological cleanup, that parent corporations be held responsible for financial shortfalls in the decommissioning funds, and Emergency Planning Zones not be diminished nor insurance coverage be reduced until all the spent fuel rods have been removed and put into dry cask storage.
