Mail Stop TWFN T4 B34
Rockville, MD 20852-2738

Dear Mr. Saverot:

In accordance with the Memorandum of Understanding between our agencies, by letter dated July 8, 2015, I requested your review of the Chinese Certificate of Approval No. CN/045/B(U)-96, Revision 0, for the Model No. SY-(I)A package (Docket No. 71-3089, TAC No. L25033). By letter dated October 14, 2015, you requested additional information to support your detailed technical review. I requested the additional information from our applicant, Majestic Superior Logistics Inc., and informed them that we would terminate the review if no response was received by January 31, 2016. As I have not received any response from our applicant, I have terminated our review of the package design and request that you do the same.

Thank you for your efforts to date on this review. If you have any questions, please feel free to contact Michael Conroy of my staff at (202) 366-3597 or via email at Michael.Conroy@dot.gov.

Sincerely,

Richard W. Boyle,
Division of Engineering and Research
Office of Hazardous Materials
Technology
