Subject: Requested Information Regarding Natural Phenomena Hazards (NPH)

Dear Mr. Baker:

Please find attached to this letter the information requested during the telecom meeting on December 14, 2015, regarding Natural Phenomena Hazards (NPH). The requested documents are provided via 5 enclosures, prefaced by a list of enclosures. The telecom meeting between the NRC and BWXT Nuclear Operations Group, Inc. - Lynchburg (BWXT NOG-L) served to clarify the request for additional information submitted within the December 04 email (Reference 1).

If you have questions or require additional information, please contact me at cterry@bwxt.com or 434-522-5202.

Sincerely,

Chris Terry
Manager, Licensing and Safety Analysis
BWXT Nuclear Operations Group, Inc. – Lynchburg

Enclosures

List of Enclosures

Enclosure 1 - Response to Questions from the NRC

Enclosure 2 - Masters Engineers and Designer report

Enclosure 3 - NCS-TR-00008, Rev. 0, "Criticality Risk from NPH in Outlying Buildings"
