Jim,

Westinghouse concurs with postponing the March 3 call until March 10.
As I understand this was the only agenda topic.

Thanks,

Ken

Hi Ken-

We have nearly completed our review of Vol.3, Chapter 1, but we are still trying to complete activity for the HP portion of the review. Greg Chapman is the reviewer for this and was in training last week and will be out at another licensee's site this week. Would Westinghouse mind if we delayed discussion of this table until Greg returns and has an opportunity to address those issues on March 10?

Thanks,

Jim
