Subject: Extension Request

Discussion: Mr. Greaves

Mr. Greaves contacted me about the very conservative decommissioning funding plan that was calculated for their Puerto Rico location under this license. He asked for a 30 day extension to perform the calculation again using accurate assumptions and values instead of the very conservative ones that were made in the December 2015, calculation. I did not have concerns with this extension as we do have financial assurance in place and the calculation that was submitted was very conservative.

Action Required: Recalculated Decommissioning Cost Estimate by March 25, 2016, to be submitted by Roy Greaves.
