**Re: Request for Extension of Due Date for Semi-Annual Effluent Report
Lost Creek ISR Project
SUA-1598 Docket 040-09068**

Dear John Saxton,

Lost Creek ISR, LLC (LCI) respectfully requests an ad hoc extension of the due date (due February 29, 2016) of the Semi-Annual Effluent and Environmental Monitoring Report (License Condition 11.1D) for the following reason:

- Air particulate data for the 4th quarter 2015 will not be available by the due date as a result of late submittal of the filter samples to the contract laboratory.

LCI requests two additional weeks for the submittal of the report. As a corrective action, the submittal of the air filter samples to the lab will be verified by the Manager EHS through the use of calendar notification following the monitoring period.

Please contact me if you have further questions or concerns.

Regards,

Michael Gaither
