

Enclosure 1: Current U.S. Nuclear Regulatory Commission (NRC) Rulemaking Reports

Report	Public or Nonpublic	Requirement	Reporting Frequency	Overview	Data Reported	Staff Recommendation
Unified Agenda	Public	Public Law 96-354, "The Regulatory Flexibility Act;" and Executive Order 12866, "Regulatory Planning and Review," dated October 4, 1993.	Biannual, April and August	The U.S. Nuclear Regulatory Commission's (NRC) portion of the Unified Agenda is a compilation of all rulemaking activities on which the NRC has recently completed action or has proposed or is considering action.	Rule Title, Regulation Identifier Number (RIN), Rule Docket ID, <i>Code of Federal Regulations</i> (CFR) Part(s) Affected, Abstract, NRC Contact, Priority (Economically Significant; Substantive, Nonsignificant, Informational/Administrative/ Other; Other Significant; Routine and Frequent), Legal Authority, Legal Deadline, Regulatory Flexibility Act Section 610 Review, Timetable, Regulatory Flexibility Analysis Required, Small Entities Affected, Government Levels Affected, Federalism Implications, International Impacts, Unfunded Mandates, Major Rule Determination, Agenda Stage of Rulemaking (prerule, proposed rule, final rule, long-term, completed action), Additional Information, <i>Federal Register</i> (FR) Citations, Active Links to FR Citations	No change.

Report	Public or Nonpublic	Requirement	Reporting Frequency	Overview	Data Reported	Staff Recommendation
NRC Regulatory Plan	Public	Executive Order 12866, "Regulatory Planning and Review," dated October 4, 1993.	Annual, June	The NRC's Regulatory Plan is a statement of the major rules that the Commission expects to publish in the current fiscal year (FY) and a description of the other significant rulemakings that the Commission expects to work on during the current FY, the coming FY, and beyond.	Rule Title, RIN, Abstract, Date Rulemaking Document(s) Published, Effective Date of Rule, Compliance/Implementation Date of Rule, Major Rule Determination, FR Citations	No change.
Rulemaking Priorities Webpage	Public	NRC staff generated to address Commission direction in Staff Requirements Memorandum (SRM)-SECY-11-0032, "Consideration of the Cumulative Effects of Regulation in the Rulemaking Process" dated October 11, 2011 (Agencywide Document Access and Management System (ADAMS) Accession No. ML112840466), to	Annual, May/June	List of all rulemaking activities identified in the Common Prioritization of Rulemaking (CPR) report, for the upcoming 2-year planning period. This webpage also explains the methodology NRC staff uses to prioritize agency rulemaking activities.	Rule Title, RIN, Docket ID, Abstract, Business Line, CPR Priority, CPR Priority Justification, Total Numerical Ranking Value for CPR Priority, Numerical Ranking Value for Each Factor in CPR Methodology, Tentative Schedule, Petition for Rulemaking (PRM) Docket Number (if applicable)	This webpage would be replaced by a proposed page with "real time" access to current rulemaking activities. Existing programmatic information, including an overview of the NRC's prioritization process for rulemaking activities, would be relocated within the newly designed pages on the public website.

Report	Public or Nonpublic	Requirement	Reporting Frequency	Overview	Data Reported	Staff Recommendation
		consider making CPR information public.				
Rulemaking Dockets	Public	Section 2.206(d) of the E-Government Act of 2002	Periodically Updated as Needed	Collection of NRC rulemaking dockets indexed by the year the docket is opened.	Rule Title, RIN, Docket ID, Year Docket ID Assigned, Active Links to Docket IDs on www.regulations.gov	Moving forward, this archival collection would contain only closed rulemaking dockets. Section 2.206(d) of the E-Government Act of 2002 would be met because the proposed page with “real time” access to current rulemaking activities would continue to link to the docket folders on www.regulations.gov .
Petition for Rulemaking Dockets	Public	Section 2.206(d) of the E-Government Act of 2002	Periodically Updated	Collection of NRC petition for rulemaking dockets indexed by the year the docket is opened.	PRM Title, PRM Docket Number, Docket ID, Year Docket ID Assigned, Active Links to Docket IDs on www.regulations.gov , Status	Moving forward, this archival collection would contain only closed petition for rulemaking dockets. Section 2.206(d) of the E-Government Act of 2002 would be met because the proposed page with “real time” access to current rulemaking activities would continue to link to the docket folders on www.regulations.gov .

Report	Public or Nonpublic	Requirement	Reporting Frequency	Overview	Data Reported	Staff Recommendation
Rulemaking Activities by FY	Public	No direction; however, NRC staff has produced this report since 1985.	Annual - October	This annual Web report contains a summary of each NRC rulemaking action published in the FR during the fiscal year.	Rule Title, RIN, Docket ID, CFR Part(s) Affected, Type of Rulemaking Document Published in the FR, Description of Rulemaking Action, FR Citations, Active Links to FR Publication	This report is historical in nature, but would have some overlap with the proposed page containing “real time” access to current rulemaking activities. A completed activity will remain on the proposed “real time” access page until NRC has published the semi-annual Unified Agenda announcing the completion of the rule. For efficiency, this report would be replaced by links to a new FR indexing tool. The existing collection of reports would be retained for archival purposes.
Rulemaking Activity Plan (RAP)	Nonpublic	SRM-M950328, “Briefing on Status of Reactor Regulatory Reform Initiatives,” dated April 7, 1995 (ADAMS Accession No. ML003757293), directed staff to provide rulemaking information to the Commission. Subsequent direction in SRM-SECY-00-0075,	Annual - May/June	A comprehensive information report on the agency’s planned rulemakings and completed actions.	Rule Title, RIN, Docket ID, CFR Part(s) Affected, Abstract, Business Line, NRC Office, CPR Priority, CPR Priority Justification, Total Numerical Ranking Value for CPR Priority, Numerical Ranking Value for Each Factor in CPR Methodology, Tentative Schedule, Milestones, Estimated Full Time Equivalents (FTE), Estimated Contract \$, and	The proposed Annual Rulemaking Report (ARR) would contain the information provided in the RAP, but with less detailed historical milestones. The documents that represent major milestones in the rulemaking process would continue to be available on www.regulations.gov in the docket for each

Report	Public or Nonpublic	Requirement	Reporting Frequency	Overview	Data Reported	Staff Recommendation
		<p>“Proposed Rulemaking Activity Plan, “ dated June 12, 2000 (Non-public), changed the RAP from a voting paper to an information paper. SRM15-0129, “Commission Involvement in Early Stages of Rulemaking,” dated February 3, 2016 (ADAMS Accession No. ML16034A441), changed the date the report is due to the Commission.</p>			PRM Docket Number (if applicable)	<p>activity. Staff would be trained and provided periodic reminders to ensure dockets are complete and contain documents reflecting all major milestones.</p>
CPR Report	Nonpublic	<p>Internal memorandum to William Dean, Assistant for Operations, and Leslie Barnett, Director of Division of Planning, Budget and Analysis in Office of the Chief Financial Officer, dated August 29, 2005; and memorandum to R. W. Borchardt, Executive Director for Operations (EDO), dated April</p>	Annual - May/June	List of all rulemaking activities for the upcoming 2-year planning period.	Rule Title, Business Line, CPR Priority, Estimated FTE, and Estimated Contract \$	<p>All information currently in the CPR Report would be provided in the proposed ARR. The summary (or roll-up) section of the “funded rulemaking activities for the next two fiscal years” would be extracted from the ARR and would replace the CPR Report that has been used to support budget reports.</p>

Report	Public or Nonpublic	Requirement	Reporting Frequency	Overview	Data Reported	Staff Recommendation
		22, 2011 (ADAMS Accession No. ML103090543).				
PRM Status Reports	Nonpublic	Internal memorandum from Victor Stello, Jr., EDO, dated August 13, 1986.	Biannual – February and August	This status report provides information on all open petitions for the reporting period.	PRM Title, Abstract, PRM Docket Number, Docket ID, Petitioner(s), Date PRM Received, Date Notice of Docketing Published in FR, Tentative Schedule, Discussion of Public Comments (if applicable), Background/Items of Interest (if applicable), Status	The PRM Status Report would no longer be needed because both the proposed page with “real time” access to all current rulemaking activities and the ARR will contain current PRM information. Historical PRM information will be in the PRM docket. Staff would be trained and provided periodic reminders to ensure PRM dockets are complete and contain documents reflecting all major milestones.
