Hi Tammy,

We received the attached amendment request yesterday in RIV. I started to set it up and then realized it was yours. I contacted the licensee to request a signed copy of the letter with the license number (before I realized it wasn't our licensee), so as soon as I get that (they're going to email it to me), I'll forward that on to you as well.

I'll drop the hard copy in the mail to you today.
