SUBMISSION OF VISUAL AID AS EXHIBIT PSEG017

On March 10, 2016, the Atomic Safety and Licensing Board (“Board”) issued a Memorandum and Order concerning the procedures for the upcoming evidentiary hearing on March 24, 2016 for the early site permit (“ESP”) application submitted by PSEG Power, LLC and PSEG Nuclear, LLC (collectively, “PSEG”). Paragraph 2 of that order states that counsel for PSEG will be given an opportunity to make an opening statement. Paragraph 6 of the order states that any visual aids presented or referenced by the parties or counsel should be docketed exhibits or introduced as exhibits.

PSEG has concluded that it would be beneficial to use a visual aid during PSEG counsel’s opening statement. PSEG is docketing that visual aid as Exhibit PSEG017. The visual aid consists of four figures from PSEG’s Environmental Report for the ESP application. Therefore, all four figures also are included in other PSEG exhibits (Exhibits PSEG004S and PSEG004Z), and already are supported by PSEG’s witnesses. PSEG has consulted with counsel for the Nuclear Regulatory Commission Staff, and the Staff does not oppose this additional exhibit.

Respectfully submitted,

Executed in Accord with 10 C.F.R. § 2.304(d)
