Subject: [External_Sender] NRC-2015-0070

Sirs:

The decommissioning funds must be used exclusively for radiological CLEANUP, NOT OPERATING EXPENSES OR LOBBYING;

The parent corporations must not be allowed to escape responsibility for financial shortfalls in the decommissioning funds;

Emergency Planning Zones should not be diminished nor insurance coverage reduced, until all the spent fuel rods have been removed from the highly vulnerable spent fuel pools and put into safer dry cask storage.

Thank you,
richardaiken@verizon.net
