RE: Notice of Availability Of The Draft Supplemental Environmental Impact Statement For License Renewal Of
ENRICO FERMI UNIT 2, For Public Comment
Docket ID NRC-2014-0109

Dear Ms. Cindy Bladey, Chief

This letter is in response to the proposed project referenced above, as provided in your letter dated November 3, 2015. As this project occurs within Potawatomi ancestral and previously occupied lands, we would like to express our concerns with any impacts to historic and cultural properties located within the project area of potential effect.

We appreciate receiving results of an archival review, cultural resource investigation studies, and archaeological reports. Should there be an impact or effect to cultural or historic properties as a result of this project, we will request consultation pursuant to Section 106 of the National Historic Preservation Act, as amended. If a review has not yet been completed, the Forest County Potawatomi Community Tribal Historic Preservation Office is available to assist in the identification of cultural resources, or an archaeological/historical assessment or archival review for a fee.

If you have any questions or concerns, please contact me at 715-478-7248 or email at Melissa.Cook@fcpotawatomi-nsn.gov. You may send the results of the archival review, cultural resource assessments, and archaeological report to:
