Kelly,

I have no further questions concerning your Decommissioning Funding Plan and I find it acceptable. However, in order to complete this action I will need updated versions of the Standby Trust Agreement including the Schedule A, the Certificate of Events, and the Certificate of Resolution to reflect the address change for the Experimental Station. You will also need to submit an updated Certification of Financial Assurance to reflect . You have already sent by e-mail your updated surety bond, but I am requesting that you re-submit that as an attachment to the signed and dated response to this e-mail. Once I receive all your information, I will issue a letter similar to the letter dated December 31, 2012 sent to Leo Hamilton from Dennis Lawyer of the NRC.

Please respond to this e-mail within 30 days. I encourage you to contact me if you have questions.
