Mr. Vasstrom,

As discussed on our phone conversation yesterday, your letter dated December 29, 2015, has a statement requesting to withheld the information from public disclosure in accordance to 10 CFR 2.390. I reminded you that for the NRC to withheld proprietary information from public disclosure you needed to submit a notarized affidavit. In our phone conversation you stated that you changed your mind and that the NRC can disclose to the public the information provided by Supra Brands Group. Please respond back to this email by COB, Monday, March 28, 2016, if you disagree with the statement on this email. If I do not receive a respond by COB, Monday, I will process all documentations provided by Supra Brand Group regarding the exempt distribution termination request as public available.

Best regards,

Hector Luis Rodríguez-Luccioni, Ph.D.
