Dear Mr. Harrison,

I've reviewed your revised exempt distribution report dated March 2, 2016. Further revision to your report is necessary so that it meets the reporting requirements for your license.

Your revised report indicates that your products "were Transferred for use under 10 CFR 32.18." The regulatory reference in this statement should be changed to "10 CFR 30.18." Please revise your report to make this change. For your information, the regulatory authorization for the distribution of your products is 10 CFR 32.18, and the authorization for the use of your products by license-exempt persons is provided in 10 CFR 30.18. Further information about the requirements that apply to annual reports of exempt distribution can be found in the attached Regulatory Issue Summary.

A hard copy of your revised report should be addressed and sent to:

ATTN: Document Control Desk/Exempt Distribution  
Director, Office of Nuclear Material Safety and Safeguards  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555-0001

Please be aware that upon your request, proprietary information submitted to the NRC may be withheld from public disclosure. To do this, you must follow the procedures in 10 CFR 2.390(b) including requesting withholding at the time the information is submitted and complying with the document marking and affidavit requirements set forth in 10 CFR 2.390(b)(1).

If you have any questions, please feel free to contact me.

Regards,  
Eric
