Dr. Kolodziej,

On March 4, 2016, Craig Gordon of the NRC hand-delivered to you two Orders for Non-Payment of Fees owed to the NRC for the above-listed licenses. The Orders were issued on February 22, 2016, and sent you by mail on that date. When Mr. Gordon delivered the Orders to you, he also explained that the annual fees listed in the Orders were the normal annual fees, but you could still pay the Small Entity annual fees if you also filed the Small Entity forms and were approved as a Small Entity.

In addition to the annual fees, the Orders also require payment of NRC processing fees. Those processing fees are still required to be paid, even if you qualify as a Small Entity.

To date, we have not received any payment of the fees. Based on a telephone conversation with David Rhoe, I understand that he did assist you in filling out the Small Entity form, and believed that you mailed the form and the fees sometime last week. If this is correct, please let me know and please tell me the address to which you sent the form and fees.

If you have any questions, please contact me by telephone or email. My contact information is listed below.

Thank you for your attention,
