Edwin I Hatch Nuclear Plant – Units 1 and 2
Joseph M. Farley Nuclear Plant – Units 1 and 2
Vogtle Electric Generating Plant – Units 1 and 2
Nuclear Property Insurance Coverage as of April 1, 2016

Ladies and Gentlemen:

In accordance with the nuclear property insurance reporting requirement specified in 10 CFR 50.54(w)(3), the current levels and sources of insurance on Edwin I. Hatch Nuclear Plant, Joseph M. Farley Nuclear Plant, and Vogtle Electric Generating Plant are hereby submitted.

The policies held by Alabama Power Company and Georgia Power Company (including the co-owner licensees as the insured), respectively, are:

Primary Coverage Insurance

Nuclear Electric Insurance \$1,500,000,000
Ltd. - NEIL Primary Property

Policy No.: Farley: P16-001, Hatch: P16-023, Vogtle: P16-024

Excess Coverage Insurance

Nuclear Electric Insurance \$1,250,000,000 excess
Ltd. - NEIL Excess Property of \$1,500,000,000 (Note 1)

Policy No.: Farley: X16-001, Hatch: X16-018, Vogtle: X16-074

Note 1: The excess property insurance limits shown are for property damage following a nuclear incident.

Excess Non-Nuclear Property Insurance

Nuclear Electric Insurance \$750,000,000 excess
Ltd. - NEIL Excess Property of \$1,500,000,000 (Note 2)

Policy No.: Farley: NSIC16-001, Hatch: NSIC16-023, Vogtle: NSIC16-024
(Note 3)

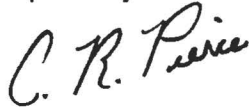

Note 2: The excess non-nuclear property insurance limits shown are for property damage following a non-nuclear incident.

Note 3: Please note that the SNC Nuclear Property Insurance Coverage letter for 2015, SNC letter NL-15-0604, dated March 26, 2015 (ADAMS Accession No. ML15152A214) incorrectly listed the Hatch Policy No. as NSIC15-018 and the Vogtle Policy No. as NSIC15-074. These should have stated NSIC15-023 and NSIC15-024, respectively.

The policies listed above provide a total nuclear property coverage limit of \$2,750,000,000 (\$2,250,000,000 for a non-nuclear event) for each site. In either case, this exceeds \$1,060,000,000, which is the minimum amount of property insurance required by 10 CFR 50.54.

This letter contains no NRC commitments. If you have any questions, please contact Ken McElroy at (205) 992-7369.

Respectfully submitted,

C. R. Pierce
Regulatory Affairs Director
