Dear Mr. Koch

I've reviewed your exempt distribution report dated December 4, 2015 for the 2015 reporting period. You must revise your report so that it meets the reporting requirements for your license.

Please revise your report to include this (or a similar) statement: "The products were transferred for use under 10 CFR 30.18(a)(8)(iii) or equivalent regulations of an Agreement State." Further information about the requirements that apply to annual reports of exempt distribution can be found in the attached Regulatory Issue Summary.

A hard copy of your revised report should be addressed and sent to:

ATTN: Document Control Desk/Exempt Distribution
Director, Office of Nuclear Material Safety and Safeguards
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Please be aware that upon your request, proprietary information submitted to the NRC may be withheld from public disclosure. To do this, you must follow the procedures in 10 CFR 2.390(b) including requesting withholding at the time the information is submitted and complying with the document marking and affidavit requirements set forth in 10 CFR 2.390 (b)(1).

If you have any questions, please feel free to contact me.

Regards,
Eric
