Desc: A listing of all records added to ADAMS between 01/01/2016 and 03/31/2016 inclusive that are not publicly available. A bibliographic listing having the Document Title, Accession Number, Addressee Name, Document Date, Docket Number, and Size (as a minimum) for each record is requested - not the actual records themselves. UCS requests this listing to follow up on a recommendation made during the March 23, 2016, NRC public meeting on FOIA. UCS recommended that bibliographic information for non-public records in ADAMS be made publicly available. The requested listing will help us determine whether, as we believe, access to such bibliographic information can focus future FOIA questions and minimize the need for broad, waterfront, all records available requests. UCS requests the requested listing be provided in digital form.
