Hydrology/Ground Water

Florida Power & Light Company (FPL) provides, as an enclosure, the Microsoft Excel data table files supporting FPL's referenced response to the Nuclear Regulatory Commission's (NRC) Request for Additional Information (RAI) No. EIS HYD/G-Q1. These files were requested by NRC staff at the

The enclosure, optical storage media (OSM), contains Microsoft Excel native data table files. Providing data files in their native format conforms to the standards for electronic submission in NRC Guidance Document "Guidance for Electronic Submissions to the NRC" dated May 27, 2011.
