Subject: [External_Sender] Escorted access for upcoming NRC Audit

Manny

I have verified with WEC personnel that upon arrival at the WEC offices, there should be no issues in granting the NRC personnel Escorted Access to the facility. There are no other pre-visit actions required for visitors who request escorted access. The visitors will sign in at the front guard desk upon arrival and Westinghouse employees will meet them and escort them to the audit meeting room.

Any more questions, please call.

Thanks

Subject: Unescorted access for upcoming NRC Audit

Manny

Westinghouse plans on providing unescorted access. In order to make a request for unescorted access for the NRC (and other) attendees during their audit visit some general information is required.

The following information is required for each attendee:

- Name
- Phone number
- Email address

After this information is received, the Westinghouse security department will contact the attendees directly and arrange for them to take some training.

I will ensure the information will be forwarded on to Westinghouse. Any questions, please feel free to call.

Thanks
