ERP Environmental Fund, Inc.
Docket No. 030-20185
License No. 47-23023-01
Control No. 590401

Mr. Daniel

In order to continue the review of your application for your NRC license to use radioactive materials, we need additional information. If you have any questions, please contact me (610-337-5089).

1. In your application you have requested that the license and radioactive material formerly held by Hobet Mining, LLC, a wholly-owned subsidiary of Patriot Coal Corporation be transferred to ERP Environmental Fund, Inc. During a phone conversation on March 28, 2016, you indicated that ERP Environmental Fund, Inc. is a subsidiary of the Virginia Conservation Legacy Fund (VCLF). Please provide a more extensive description of the bankruptcy transactions between Patriot Coal Corporation and VCLF including dates and documentation. In addition, please describe the business relationship between VCLF and ERP Environmental Fund, Inc.
2. During the telephone conversation on March 28, 2016, you indicated that you have been granted power-of-attorney for ERP Environmental Fund, Inc. for regulatory matters. Please submit documentation confirming your authorization.

Please respond in writing with a **signed and dated letter**. You may submit the signed response document by hard copy, or as a pdf copy attached to an email, or by facsimile to 610-337-5269. Please be sure to include the Control No. 590401 on your response. We would appreciate a response within 10 days in order to expedite the review of the license application.

Thank you for your cooperation
