Mr. Bryan C. Hanson
Senior Vice President, Exelon Generation
Company, LLC
President and Chief Nuclear Officer
Exelon Nuclear
4300 Winfield Road
Warrenville, IL 60555

SUBJECT: RESULTS OF NUCLEAR REGULATORY COMMISSION INVESTIGATION
REPORT NO. 3-2015-005

Dear Mr. Hanson:

This letter refers to the results of an investigation conducted by the U.S. Nuclear Regulatory Commission (NRC) Office of Investigations (OI). The investigation was initiated on December 22, 2014, to determine whether the former Director of Spent Fuel and Decommissioning for Exelon and the Manager of Decommissioning and Spent Fuel Pool for Exelon, willfully violated the NRC's regulations by deliberately providing incomplete and inaccurate information to the NRC during Exelon's April 30, 2013, Pre-decisional Enforcement Conference (PEC) regarding decommissioning funding.

Based on the evidence gathered during the OI investigation, the NRC concluded that the former Director of Spent Fuel and Decommissioning for Exelon and the Manager of Decommissioning and Spent Fuel Pool for Exelon did not deliberately provide incomplete and inaccurate information to the NRC during Exelon's April 20, 2013, PEC.

You are not required to respond to this letter. However, should you choose to respond, your response should be sent to the U.S. Nuclear Regulatory Commission, ATTN: Director, Office of Nuclear Reactor Regulation, 11555 Rockville Pike, Rockville, MD 20852 and marked "Open by Addressee Only," within 30 days of the date of this letter. You may contact Ms. Lauren Casey of my staff at 301-415-1038 if you have any questions.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and any response, will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Document Access and Management System, accessible from the NRC Website at <http://www.nrc.gov/reading-rm/adams.html>. To the extent possible, any response should not include any personal privacy, proprietary, or safeguards information so that it can be made available to the public without redaction. If personal privacy

or proprietary information is necessary to provide an acceptable response, please provide a bracketed copy of your response that identifies the information that should be protected and a redacted copy of your response that deletes such information. If you request withholding of such information, you must specifically identify the portions of your response that you seek to have withheld and provide in detail the bases for your claim of withholding (e.g., explain why the disclosure of information will create an unwarranted invasion of personal privacy or provide the information required by 10 CFR 2.390(b) to support a request for withholding confidential commercial or financial information).

Sincerely,

/RA/

Scott A. Morris, Director
Division of Inspection and Regional Support
Office of Nuclear Reactor Regulation
