Date: Tuesday, April 05, 2016 8:19:00 AM

Hello Rob

Based on extensive discussions with you and others, BWXT has demonstrated a need for additional time to respond to the RAIs.

Therefore, an extension of 90 additional days (to July 24, 2016) is approved.

A copy of this email will be placed into ADAMS.

If you have any additional questions, just ask.
