Lisle, Illinois 60532-4352

Subject License #21-08362-12

To Whom It May Concern

The Purpose of this letter is to request an amendment of the NRC License #21-08362-12 to reflect a change in the Radiation Safety Officer of Dow Corning Corporation Midland Plant. We request that David Tray Dillon be removed and Bruce D.S. Reed be put in place as RSO and will be providing the delegation of authority. Please see the attached page with the Midland Site Plant Manager (Jeff Baker) signature.

Sincerely

Bruce Reed
Site Shift Leader Group Leader

Midland Plant

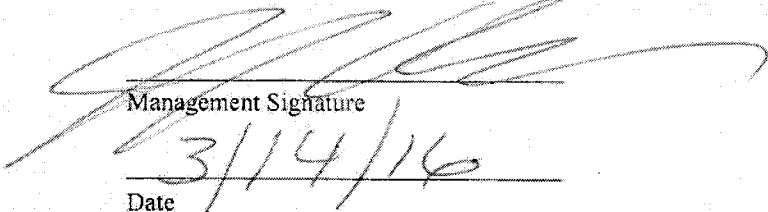

RADIATION SAFETY OFFICER – DELEGATION OF AUTHORITY

Subject: RSO Delegation of Authority
Date Effective: 3/14/16

Bruce Reed has been appointed as Radiation Safety Officer for Dow Corning Midland Plant facility and is responsible for ensuring the safe use of radiation.

The Radiation Safety Officer(s) is responsible for managing the Radiation Safety Program, identifying radiation safety problems, initiating, recommending, or providing corrective actions, verifying implementation of corrective actions and ensuring compliance with regulations. The Radiation Safety Officer(s) shall ensure that the license activities are performed using approved procedures and meeting the regulatory requirements in the daily operations of the Radiation Safety Program.

The Radiation Safety Officer(s) is hereby delegated the authority necessary to meet those responsibilities.

Management Signature

Morning ladies!

Could I get the attached into ADAMS? This is for license 21-08362-12, 030-10509, CN 590036. This is additional information.

Thanks!
Vered

Subject: [External_Sender] RSO change Dow Corning Midland Plant License # 21-08362-12

Please let me know if this is what you are looking for as I'm in most the day today so I can make changes as needed and get it back to you right away. Tomorrow I'm back off taking care of matters with the passing of my father.

Thank you
Bruce
