Docket Number: 030-36017

Reply to a Notice of Violation; March 3, 2016; Report Number: 03036017/2015-001

Mr. Shaffer,
In response to the above referenced Notice of Violation, dated March 3, 2016, we are requesting an additional 30 days to complete our review of the violation and review the information that was submitted to us under our FOIA request dated January 19, 2016.

Although the notice of violation is dated March 3, 2016, it should be noted that an electronic copy was not sent to us until March 7, 2016; with the resulting hard copy being received by US mail on March 16th. Additionally, our initial FOIA request was made on January 19, 2016; with the requested documentation not being received until March 17th, 2016.

After initial review of both documents, we believe that information provided through our FOIA request will have an impact on how we proceed regarding the final disposition of the above referenced violation and request additional time for review and disposition.

Regards,

A handwritten signature in black ink, appearing to read 'Brian McKenna'.

Subject: RE: NRC Inspection Report

Mr. McNamara,

After consultation with my Division Director, we are granting you an additional 30 days to prepare your written response to the choice letter that was provided to you. Based on our earlier conversation you stated that you wanted to provide a written response in lieu of participating in a Predecisional Enforcement Conference. Accordingly the date of your reply should be received in our office by Monday, May 2, 2016 (60 days from the date of the letter dated March 3, 2016).

Ray Kellar

Subject: [External_Sender] NRC Inspection Report

Mr. Shaffer,

Attached please find our letter requesting an extension to our response for the Notice of Violation. We are requesting additional time so that we may completely review our FOIA request information.

Regards,

Ken McNamara
