Independent Accountants' Report on Applying Agreed-upon Procedures

The Board of Directors
General Electric Company:

We have performed the procedures enumerated below, which were agreed to by management of General Electric Company (the "Company"), solely to assist you in the filing of selected financial information included in the "Financial Test II" of your letter dated March 18, 2016 to the United States Nuclear Regulatory Commission (the "Letter"). The Company's management is responsible for the selected financial information. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of management of General Electric Company. Consequently, we make no representations regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

- 1) Tangible Net Worth – We recalculated the dollar amount of the Company's tangible net worth at December 31, 2015, \$16,004,000,000, as the difference between Total GE Shareowners' Equity at December 31, 2015, \$98,274,000,000, and the sum of Goodwill, \$65,526,000,000, and Other Intangible Assets, \$16,744,000,000, at December 31, 2015, each reflected in the Statement of Financial Position on page 132 of the Company's 2015 Annual Report on Form 10-K. We then compared the dollar amount of the Company's tangible net worth at December 31, 2015, to the amount shown in Item 5 of the Letter and found them to be in agreement.
- 2) Total Assets in the United States – We compared the Company's Total Assets in the United States at December 31, 2015, \$177,300,000,000, as shown in Item 6 of the Letter, to a schedule prepared by the Company entitled "Working Capital and Geographic Assets" and found them to be in agreement.
- 3) Are At Least 90% of the Company's Assets Located in the United States – We divided the Company's Total Assets in the United States at December 31, 2015, \$177,300,000,000, as shown in Item 6 of the Letter, by the Company's Total Assets at December 31, 2015, \$492,692,000,000, reflected in the Statement of Financial Position on page 132 of the Company's 2015 Annual Report on Form 10-K, and found that the Company's Total Assets in the United States were less than 90% of the Company's Total Assets. Accordingly, we agree with the Company's response of "No" in Item 9 of the Letter.
- 4) Tangible Net Worth Greater than Maximum Potential Future Payments – We calculated the difference between the amount calculated in procedure 1 above to the total "Maximum Potential

Future Payments” related to off-balance sheet transactions such as contractual obligations to fund investment or guarantees, revolving lines of credit, credit support, indemnification agreements and other indemnification commitments as disclosed in Note 21 and Note 22 of the Company’s 2015 Annual Report on Form 10-K. “Maximum Potential Future Payments” is defined as the sum of contractual obligations to fund investments or guarantees, revolving lines of credit, credit support, indemnification agreements and other indemnification commitments. We noted the Tangible Net Worth of the Company per procedure 1 is greater than the “Maximum Potential Future Payments” as disclosed in the Company’s 2015 Annual Report on Form 10-K by \$14,687,000,000 (\$16,004,000,000 less \$1,317,000,000).

- 5) Bond Rating – We obtained the bond rating for the Company’s most recent uninsured, uncollateralized, and unencumbered bond issuance as issued by Standard and Poors on December 1, 2015 The Standard and Poors rating was “AA+.” No differences were noted from requirements within Section II.A of 10 CFR Part 30, Appendix C.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on the selected financial information included in the Letter. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of the Company, and is not intended to be and should not be used by anyone other than these specified parties.
