Dear Sir or Madam:

Premier Healthcare, LLC would like to amend its Byproduct Materials License, Number 13-32020-01, to add Gregory Sutliff, M.D. as Authorized User of materials licensed under 10 CFR 35.100 and 35.200. Dr. Sutliff was previously listed as an Authorized User for those authorizations on our license and was removed last year as part of our most recent license amendment.

Additionally, Premier Healthcare would like to delete the following Authorized Users from our Materials License as they have discontinued practicing at our facility:

Eric Williams, M.D.

If there are any questions concerning this license amendment, please contact our nuclear medicine physicist, Mr. Bryce A. Caudle, at 317-443-9035.

Sincerely,
