Subject: [External_Sender] MRP-227: PWR Internals Inspection and Evaluation Guidelines, Revision 1

Follow Up Flag: Follow up
Flag Status: Flagged

Good morning,

I was reading MRP-227 Rev 1 last night from the EPRI website. Tonight, I tried to get it from the NRC website but could not. It is not there. Since Rev 1 is marked as "Final Report, October 2015", shouldn't it be available from a general search on the NRC website?

Thank you,

Tom Gurdziel
