1. Please submit Joel M. Brink, M.D.'s training and experience in accordance with 10 CFR 35.396 (<http://www.nrc.gov/reading-rm/doc-collections/cfr/part035/part035-0396.html>). Please note that you can complete NRC Form 313A(AUT) (<http://www.nrc.gov/reading-rm/doc-collections/forms/>) to document this training and experience.
2. Please note that a written attestation must be completed for Dr. Brink as specified in 10 CFR 35.396(d)(3).

Please complete Part II – Preceptor Attestation Section of NRC Form 313A(AUT) ([http://www.nrc.gov/reading-rm/doc-collections/forms/nrc313a\(aut\).pdf](http://www.nrc.gov/reading-rm/doc-collections/forms/nrc313a(aut).pdf)) for Dr. Brink.

3. Please clarify which 3 parenteral cases Dr. Brink completed. Did it involve a beta-emitter or any photon-emitting radionuclide with a photon energy less than 150 keV for which a written directive is required or did it involve the parenteral administration of any other radionuclide for which a written directive is required?
