This letter is pursuant to a request a license amendment for material license #21-26539-01, issued to Cats Veterinary Clinic, 43727 Gratiot, Clinton Twp, Michigan.

Please
amend the following:

1. We wish to switch our Radiation Safety Officer to Laura T. Smith, MS, DABR. she is qualified to perform this job as she is RSO at site 21-03210-01 and has been physicist for over 10 years now.
2. We wish to take off Dr. Janette Vani from our Nuclear License as a authorized user.
3. Please add Dr. Whitney Hough, DVM as an Authorized User. Dr. Hough, has currently performed 6 Iodine – I-131 case therapies under current Authorized User and RSO Dan H. Marshall DVM, and has now completed well over 20 hours of physics training.

If there are any questions Laura Smith, our physicist at email lsphysics@att.net, or cell phone 586- 808-3058.

Sincerely,

A handwritten signature in black ink that reads "Dan H. Marshall". The signature is written in a cursive, flowing style.

Dan H. Marshall, DVM
Site Owner and President
