Subject: Docket No. 70-925; License No. SNM-928: Easement for Electrical Lines
Cimarron Environmental Response Trust

Dear Mr. Lux:

Thank you for the your letter, dated February 25, 2016, requesting DEQ approval to execute an easement for electrical lines in the northeast quarter of Section 11, following and just north of the Cimarron Holdings property line, to provide service to the former processing buildings recently sold to Cimarron Holdings.

Provided the proposed easement does not interfere with the Decommissioning Plan and subsequent remediation activities, the DEQ has no objection to execution of the proposed easement.

If you have questions or comments, please contact me by email at j.paul.davis@deq.ok.gov, or by telephone at 405-702-5132.

Sincerely,

A handwritten signature in black ink, appearing to read 'J Paul Davis', is written over the word 'Sincerely,'.
