RE: Amendment RAM license #09-32781-01MD

Triad Isotopes, Inc.-St Louis
1827 Belt Way Drive
Overland, MO 63114-5815

Dear License Reviewer:

The following amendment request to license #09-32781-01MD is submitted below:

1. Please change the RSO in this location, effective immediately, to Carey Unthank, PharmD. Dr. Unthank is currently listed as an authorized nuclear pharmacist to this license. By virtue of training and experience as an authorized nuclear pharmacist, Dr. Unthank satisfies the requirements to be named Radiation Safety Officer. Triad Management agrees to provide the RSO with sufficient authority, organizational freedom, time, resources, and management prerogative, to perform the duties as assigned. A signed Radiation Safety Officer Delegation of Authority is included as Attachment A.

The currently listed RSO, James Coder, PharmD., will remain as the facility manager and authorized nuclear pharmacist on this license.

Please contact Craig Kinne, Corporate RSO, if you have any questions at 407-257-8998. A completed copy of the amendment request can be sent to the Triad Corporate offices ATTN: Legal at 4205 Vineland Rd, Suite L1, Orlando, FL 32811 and/or to the Overland pharmacy address to the RSO's attention.

Thanks,

Craig Kinne
Corporate Radiation Safety Officer

RECEIVED APR 22 2016

Attachment A
Carey Unthank, PharmD RSO Delegation of Authority

RSO Delegation of Authority

11 April 2016

To: Carey Unthank, PharmD.

From: James A. Wilkinson, SVP and General Counsel, Triad Isotopes, Inc.

Effective as of April 11, 2016 You, Carey Unthank, have been appointed the Radiation Safety Officer ("RSO") and are responsible for ensuring the safe storage, use, handling, packaging, shipping and transportation of radioactive materials for the Triad Isotopes, Inc. pharmacy located at

**Triad Isotopes, Inc.
1827 Belt Way Drive
St Louis, MO 63114**

You are responsible for managing the radiation protection program, identifying radiation protection problems, initiating, recommending, or providing corrective actions, verifying implementation of corrective actions, stopping unsafe activities, and ensuring compliance with Triad's radiation protection program rules. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of radioactive material by employees who do not meet the necessary requirements to do so and shutting down operations when justified by radiation safety issues. You are required to notify management if employees do not cooperate and do not properly address radiation safety issues. In addition, you are free to raise issues with the U.S. Nuclear Regulatory Commission, at any time. It is estimated that you will spend eight (8) hours per week conducting radiation protection activities.

The RSO is responsible for establishing, implementing, managing, and auditing the radiation protection program, including employee training and ALARA program implementation, identifying and investigating radiation safety problems, initiating recommendations and ensuring implementation of corrective actions, ensuring compliance with all regulatory requirements, termination of unsafe practices and conditions, timely reporting of safety or employee incidents involving radiation exposure and timely reporting of all quality related incidents to the Triad Quality and Safety management team. The RSO must always report incidents to Triad Isotopes incident reporting system and if required by regulation or license commitment, to the U.S. Nuclear Regulatory Commission.

Triad Management agrees to provide you, as the RSO of the above pharmacy, with sufficient authority, organizational freedom, time, resources, and management prerogative, to perform the following duties:

- a) Identification of radiation safety problems, and,
- b) Initiation of recommendations, or provide corrective actions, and,
- c) Stopping unsafe operations, and,
- d) Verification of timely implementation of corrective actions, and,
- e) Assumption of the full responsibilities for radiation protection and safety programs.

4205 Vineland • Suite L1 • Orlando, FL 32811
www.triadisotopes.com

You agree, by your signature below as RSO, to accept responsibility for implementing the radiation protection program and shall ensure that radiation safety activities are being performed in accordance with Triad's Policies and Procedures and the U.S. Nuclear Regulatory Commission regulatory requirements.

I accept these RSO responsibilities;

Pharmacy RSO Name (printed): Carey Unthank, PharmD.

Pharmacy RSO (Signature): Carey Unthank

After printing this label:

1. Use the 'Print' button on this page to print your label to your laser or inkjet printer.
2. Fold the printed page along the horizontal line.
3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number. Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available on fedex.com. FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$1,000, e.g. jewelry, precious metals, negotiable instruments and other items listed in our ServiceGuide. Written claims must be filed within strict time limits, see current FedEx Service Guide.
