Subject: RAI, Change of Control

Discussion: I discussed with Mr. Tamburro that we needed to know how the transaction of the stock exchange would happen including all companies involved and formed. I also asked him to send me an NRC License Number or a copy of an Agreement State license that Mirion Technologies, Inc. was the licensee on the license or one of their companies that they control had a license. Mr. Tamburro said he would find out and submit the information.

Action Required: Mr. Tamburro will get the specific companies involved in the transaction and send me a copy of the Agreement State license or NRC License number that they controlled.
