Office of Nuclear Material Safety and Safeguards

Dear Mr. Erlanger,

Re: Transmittal of Information Related to the Section 106 Consultation for the Proposed Kendrick Expansion of the Ross Project Site in Crook County, Wyoming (Docket No: 40-9091)

On behalf of the Cheyenne and Arapaho Tribes, thank you for the notice of the referenced project. I have reviewed your Consultation request under Section 106 of the National Historic Preservation Act regarding the project proposal and commented as follows:

At this time it is determined to be **No Properties**; however, if at any time during the project implementation inadvertent discoveries are made that reflect evidence of human remains, ceremonial or cultural objects, historical sites such as stone rings, burial mounds, village or battlefield artifacts, please discontinue work and notify the THPO Office immediately. If needed, we will contact the Tribes NAGPRA representatives.

Sincerely,

Margaret Sutton, Tribal Historic Preservation Officer
